IDENTIFICATION NUMBER: C00431171

REFERENCE: AMENDED 30 DAY POST-GENERAL REPORT (10/18/2012-11/26/2012)

Dear Ms. Sugarman,

This statement is in response to the Commission's letter dated January 31, 2013. The Commission requested additional information on four items.

First, the Commission requested clarification on a few state party committees that were not itemized on Schedule A-P due to software mistakenly placing them on line 17(b) instead of line 17(c). These will be shown on 17(c) and itemized on an Amended Report.

Second, in regards to the in-kind contribution of \$36 from Texans for Greg Abbott, this in-kind contribution will be itemized in an Amended Report.

Third, the Commission requested clarification on several transfers from the joint fundraising representative committee, "Romney Victory, Inc., C00518282." The report has been amended to clarify which supporting memo entries correspond to each transfer from the joint fundraising representative.

Fourth, the Commission requested clarification on receipts appearing as Offsets to Operating Expenditures. The entries that consist of sublease rent payments and asset sales have been moved to Schedule A-P, line 21 in an Amended Report with amended clarifying descriptions. The remaining receipts deemed as Offsets to Expenditures are reimbursements or vendor refunds from disbursements and do not constitute excessive or prohibited contributions.

This should answer the Commission's inquiry.

Sincerely,

Darrell Crate
Treasurer
